Summer 2019

Your Council Your Voice

At the first meeting of the newly elected Parish Council the new Chair - David Cowap welcomed Ruth Hadden and Kevin Holmes as Vice-Chairs; and Richard Johnson, Keith Bradley, Claire Green, Shaun Moore, Sue Willett as new members of the Council.

Just to remind you that members of the public are very welcome to attend Parish Council meetings, which are held every 2 months. (1st Tuesday at 19:30 in the Village Hall. Agenda and Minutes can be found on Village notice boards or on the Parish Council website www.dunhamhillandhapsford.co.uk).

Village Matters

Wheatsheaf Pub - Due to the closure of the Pub the Parish Council has contacted Greene King (the landlords) requesting information regarding the security of the building/site, foot-path access to Talbot Road and the future use of the site. The Estates Manager at Greene King will be contacting the Parish Clerk. It was agreed the Parish Council would liaise with the church to ensure that it is included in any future meetings.

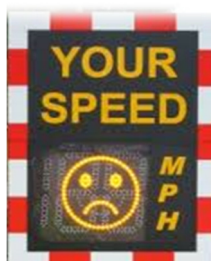

Litter Picking - A BIG thank you to all those who recently participated in 'Keeping our Village Clean'. It was felt it made a difference to the area. Councillor Keith Bradley has agreed to organise another litter pick for September.

Details to follow. Anyone interested in becoming involved please send your details to the Parish Clerk - Trudy Ryall-Harvey (clerk.dunhamhillpc@gmail.com).

Footpath - Moor Lane, Hapsford and Hornsmill - The Parish Council have been informed that Cheshire West and Chester (CWAC) have reviewed the footpath and have confirmed that the verge encroaches onto the footway which has considerably reduced the width of the footpath. CWAC have appointed contractors to clear the foot-path so that an assessment of the condition of the path can be carried out.

Speed Watch - Training for the community has been organised for the 25th June 2019 at 18:00 in the Boshaw Centre. The Parish Council would like to encourage Community Speed Watch Patrols. It owns a hand-held speed detection device upon which volunteers will be trained on its use. Upon completion of training a Community Speed Watch Group will be set up in order to monitor several areas within the Parish.

Village Matters (Cont'd/...)

Fly Tipping - This is becoming a major problem and as a Parish we want to see those carrying out illegal tipping prosecuted. If you see any rubbish being tipped in your area contact CWAC via their website.

<https://www.cheshirewestandchester.gov.uk/residents/contact-us/report-it/report-it.aspx>

Promoting our Local Community - The Parish Council will be consulting the community about identifying needs and shaping priorities within the Parish. In order to do this it was agreed that local organisations should be encouraged to apply for a small grant for consideration by the Parish Council for any projects which are felt to enhance the local community. Further details can be obtained from the Parish Clerk (clerk.dunhamhillpc@gmail.com)

Planning Applications - The Parish Council can make comments on applications in our area and they are then passed onto CWAC.

19/01715/FUL — Storage Depot Hob Lane Dunham On The Hill Chester Cheshire - Erection of storage building

For more information please go to:- <https://pa.cheshirewestandchester.gov.uk/online-applications/>

We would love to hear your comments of support or otherwise on this application.

Defibrillator Training - Following our recent training event on why the Parish has a defibrillator, how it works and how to operate the machine and pads, it was agreed to organise a further training event in September (details to follow).

The Parish Council want the local community to have more CPR/Defibrillator training and by taking part in this you could make a difference/save a life.

Ever Thought About Becoming a Parish Councillor? - We currently have two vacancies on the Parish Council for Hapsford, which we can fill by co-option. Why not join us and help make a difference in our Villages. You can apply in writing or by email to the Parish Clerk (clerk.dunhamhillpc@gmail.com)
