On going
The travellers site A56**For the future**

I hope that over the next year that we can work together as a council on things like fly tipping to get it slowed down or even stopped And now at the start of the six year of asking we can get the black and white fence at the top of Hob lane replaced by Chester and Cheshire west council

Then we have the parish plan to start rolling out this plan could be very beneficial to both the parish's .

Thank you
